Dashboard

When you sign up for Job Credits we set you up with your own online Dashboard which gives you control over posting vacancies with built-in shortcuts and tells you how many credits you've used. You can also view applications, screen candidates by your own criteria and create ongoing Talent Banks of the best candidates.

MicrositePLUS

Your booking also gets you our MicrositePLUS option so you can really sell your job opportunities to great candidates when they're viewing them. The site is customised to your needs and in addition to listing your vacancies, can include case studies, video, photography and your Twitter and Facebook feeds.
